The Hart County Fire Department is accepting applications for a temporary/part time certified fire fighter. Applications should be submitted on or before April 15, 2011 to the Hart County Administrative office. A notice is posted at each station.

If a fireman gets to the station by his self don't say 10-8 waiting on a rider. Please say "one firefighter at station". You need to go 10-8 when leaving the station going to the fire.

When called to an accident scene do not park the fire truck or your personal vehicle on the skid marks or where there might be some evidence from the accident.

Recommend that we set a time frame of 5 minutes after the initial page, if no response that 911 page the back – up station.

On April 30<sup>th</sup>, at Ingles parking lot at 8 Am., the Firefighters game will be held and all stations are encouraged to participate. Gave out a list of what trucks are needed.
