

NEW GEORGIA AED LAW

★
THE MASON SELLS
AED COORDINATION ACT (SB 399)

If your business, church, gym, recreation facility, government building or organizations have an AED, **Georgia law now requires that its location be reported to your local 911 Center.**

This allows 911 Dispatchers to direct callers to the nearest AED during a cardiac emergency.

***REPORT THE LOCATION OF *EVERY* AED**

NOTIFY 911 IF AN AED IS *MOVED

***NOTIFY 911 IF AN AED IS *REMOVED* FROM SERVICE**

KEEP AED LOCATION INFORMATION *CURRENT

***HELP *SAVE LIVES* BY ENSURING DISPATCHERS CAN LOCATE NEARLY AED'S DURING EMERGENCIES.**

Forms can be found on the county website at Hartcountyga.gov under the E911 Department.

Forms should be submitted to mcobb@hartcountyga.gov.
